SYNCORA HOLDINGS LTD.

**PROXY STATEMENT
(THE "PROXY STATEMENT")
FOR THE ANNUAL GENERAL MEETING OF HOLDERS OF COMMON SHARES
TO BE HELD ON JULY 17, 2018**

**IMPORTANT INFORMATION ABOUT THE ANNUAL GENERAL MEETING
AND PROXY PROCEDURES**

The accompanying proxy is solicited by the Board of Directors of Syncora Holdings Ltd. (the "Company") to be voted at the annual general meeting ("Annual General Meeting") of holders (the "Shareholders") of the Company's common shares (the "Shares") to be held on July 17, 2018 beginning at 8:30 a.m. New York City time, at the offices of Debevoise & Plimpton LLP, 919 Third Avenue, New York, New York 10022, and any adjournments thereof. This Proxy Statement and the accompanying materials are first being mailed to Shareholders on June 13, 2018.

The Purpose of the Annual General Meeting

At the Annual General Meeting, the Shareholders will vote in person or by proxy on the following matters as set forth in the notice of the meeting: (1) to elect Michael P. Esposito, Jr., E. Grant Gibbons and Robert J. White as Class III Directors to hold office until 2021; (2) to appoint PricewaterhouseCoopers LLP, New York, as the Company's independent auditor for the year 2018 (the "Independent Auditor"); and (3) to refer the remuneration of the Independent Auditor to the Audit Committee of the Board of Directors.

Presentation of Financial Statements

In accordance with the Bermuda Companies Act 1981, as amended ("Bermuda Companies Act") and Bye-Law 71 of the Company's amended and restated bye-laws (the "Bye-Laws"), the Company's audited consolidated GAAP financial statements for the year ended December 31, 2017 will be laid before the Shareholders at the Annual General Meeting and are being mailed simultaneously herewith. The Board of Directors of the Company (each, a "Director", and together, the "Board" or the "Directors") has approved these financial statements. There is no requirement under Bermuda law that these audited financial statements be approved by Shareholders, and no such approval will be sought at the Annual General Meeting.

Shareholders Entitled to Vote at the Annual General Meeting

Shareholders of record as of the close of business on June 1, 2018, the record date for the Annual General Meeting, will be entitled to vote at the Annual General Meeting. As of June 1, 2018, there were 90,013,135 issued and outstanding Shares entitled to vote at the Annual General Meeting, with each Share entitling the holder of record thereof to one vote at the Annual General Meeting (subject to certain limitations and voting cut backs set forth in the Bye-Laws).

Voting Procedures; Quorum

A Shareholder of record can vote their Shares at the Annual General Meeting by attending the meeting and completing a ballot or by proxy in one of three ways: (1) by dating, signing and completing the proxy card and returning it without delay in the enclosed envelope, which requires no postage stamp if mailed in the United States; (2) over the telephone by calling a toll-free number provided on the enclosed proxy card; or (3) electronically via the internet as described in the enclosed proxy card.

The election of each nominee for Director referred to in Item 1 above requires a plurality of the votes cast, the appointment of the Independent Auditor referred to in Item 2 above and the referral of the remuneration of the Independent Auditor referred to in Item 3 above each require the affirmative vote of a majority of the votes cast on such proposal at the Annual General Meeting, in each case provided there is a quorum (consisting of two or more Shareholders present in person or by proxy

representing more than 50% of the issued and outstanding Shares entitled to vote at the Annual General Meeting). Shares owned by Shareholders electing to abstain from voting with respect to any proposal and “broker non-votes” will be counted towards the presence of a quorum but will not be considered votes cast with respect to the election of nominees for Director and the other matters to be voted upon at the Annual General Meeting. Therefore, abstentions and “broker non-votes” will have no effect on the outcome of the matters to be voted upon at the Annual General Meeting. A “broker non-vote” occurs when a nominee, such as a broker, holding Shares in “street name” for a beneficial owner, does not vote on a particular proposal because that nominee does not have discretionary voting power with respect to a proposal and has not received instructions from the beneficial owner. A Shareholder of Shares held in “street name” that would like to instruct their broker how to vote their Shares should follow the directions provided by their broker.

Shares Owned by Syncora Guarantee Inc.

In July 2012, Syncora Guarantee Inc. (“SGI”), the Company’s wholly-owned, New York financial guarantee insurance subsidiary acquired all right, title and interest, including, any voting rights and any rights to payments, with respect to 3,044,588 Shares, which currently represents approximately 3.40% of the total issued and outstanding Shares. SGI intends to vote such Shares, in favor of the proposals set forth in this Proxy Statement.

Revocation of Proxies

Any Shareholder giving a proxy has the power to revoke it prior to its exercise by: (1) giving notice of such revocation in writing to the Secretary of the Company at Syncora Holdings Ltd., Canon’s Court, 22 Victoria Street, Hamilton, HM 12, Bermuda; (2) by attending and voting in person at the Annual General Meeting; or (3) by executing a subsequent proxy, provided that any such action is taken in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the votes are taken. Attendance at the Annual General Meeting by a Shareholder who has executed and delivered a proxy to the Company shall not in and of itself constitute a revocation of such proxy.

For Shares held in “street name” by a broker, if the Shareholder wishes to change their vote from what they have previously directed their broker to vote, such Shareholder should instruct their broker to change the Shareholder’s vote. Alternatively, if a Shareholder has directed their broker to vote on behalf of the Shareholder but such Shareholder wishes to attend the Annual General Meeting in person, then such Shareholder should obtain a proxy from their broker to attend in person.

Proxy Solicitation

The Company will bear the cost of the solicitation of proxies. Proxies may be solicited by Directors, officers and employees of the Company and its subsidiaries, who will not receive additional compensation for such services. In addition, the Company has retained Georgeson & Company Inc. to assist in the solicitation of proxies for a fee of approximately \$15,000 plus certain other reasonable out-of-pocket expenses and administrative fees. Upon request, the Company will also reimburse brokers and others holding Shares in their names, or in the names of nominees, for forwarding proxy materials to their customers.

Shareholder Proposals for the 2019 Annual General Meeting

Shareholder proposals intended for inclusion in the proxy statement for the 2019 Annual General Meeting should be submitted in accordance with the procedures prescribed by the Bye-Laws and sent to the Company’s Secretary at Syncora Holdings Ltd., Canon’s Court, 22 Victoria Street, Hamilton, HM 12, Bermuda. Such proposals must be received by February 19, 2019.

Pursuant to the Bye-Laws, any Shareholder entitled to attend and vote at any Annual General Meeting may nominate persons for election as Directors if written notice of such Shareholder’s intent to nominate such persons is received by the Company’s Secretary at Syncora Holdings Ltd., Canon’s Court, 22 Victoria Street, Hamilton, HM 12, Bermuda not later than 120 days prior to the anniversary

date of the immediately preceding Annual General Meeting. Such notice must include the following information about the proposed nominee: (a) name and address of such person to be nominated; (b) a description of all arrangements or understandings between the Shareholder and each nominee and any person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by such Shareholder; (c) such other information regarding such nominee proposed by such Shareholder as would be required to be included in a proxy statement filed pursuant to Regulation 14A promulgated under the Securities Exchange Act of 1934 (whether or not the Company is then subject to such Regulation); and (d) the consent of each nominee to serve as a Director of the Company, if elected. Such notice must also include information on the Shareholder making the nomination, including such Shareholder's name and address as it appears on the Company's books, a representation that such Shareholder is a holder of record of Shares of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to present such nomination and the class and number of Shares of the Company beneficially owned by such Shareholder. The nomination of any person not made in compliance with the foregoing procedures shall be disregarded by the chairperson.

Several of our Directors also own equity in the Company, as provided in the table below with holdings as of May 31, 2018. These Shares include amounts that were granted prior to 2007 to certain Directors under a prior long-term incentive program, shares received as compensation under the revised compensation plan described below and Shares that were purchased by Directors in open

Board of Directors Compensation Plan

The annual retainer will be paid once a year at the start of the year. Committee fees and per meeting fees will continue to be paid in cash, on a quarterly basis. In addition, for the annual retainer, Directors have the following options with respect to the payment of the retainer: (i) 100% of the retainer payable in stock, (ii) 100% payable in cash or (iii) 50% payable in cash and 50% payable in stock. Any Director who elects to receive all or a portion of the retainer in stock would be required to hold any such shares for one year from the date of acquisition.

Board of Directors Incentive Plan

The Company has an incentive plan for eligible Directors. To qualify for the full awards under the plan described below a Director must be in service for two (2) years commencing in 2017 through, and including, 2018. The eight (8) Directors noted above, plus two (2) independent directors on the board of directors of a subsidiary of the Company, are eligible for this incentive plan. This plan would provide for the payment to all eligible Directors of certain amounts, on a pro rata basis, based on the following metrics occurring at any time through December 31, 2019: (i) the Share price maintaining an average of \$4.50 over a ten (10) day trading window period and (ii) the Company receiving regulatory approval to make payments on the surplus notes in the amounts described in the table below. This is a one-time award that may be paid as early as the first quarter of 2019 (provided the above metrics are met at the end of 2018). The plan will expire on December 31, 2019.

<u>Surplus Note Payment</u>	<u>Aggregate Payout in cash for all eligible Directors (to be shared pro rata among eligible Directors)</u>
Less than \$400 million	\$ 0
\$400 million	\$1,000,000
\$500 million	\$2,000,000
\$600 million or more	\$4,000,000

On May 14, 2018, the NYDFS approved a surplus note payment of \$400 million.

Eligible Directors can also receive a pro rata payment under this incentive plan if (i) a Director fails to be re-elected to the Board of Directors at the Company’s annual general meeting, (ii) the size of the Board of Directors is reduced for reasons unrelated to the Director’s performance or (iii) the voluntary resignation by a Director (not for Cause) that is agreed to by the Board of Directors. For Messrs. Arnold, Carr and Mills, failure to be re-elected at any annual general meeting, prior to the expiration of their respective contractual 3 year term, will not interrupt the term of their Board service pending their re-appointment to the Company’s Board of Directors to fulfill such contractual requirement.

Director Remuneration

We have also included the amounts paid to our Directors in 2017 and for the five months ended May 31, 2018 in the table below.

Stock Purchase Plan

In September 2017, the Board approved a Stock Purchase Plan (the “Plan”) for the Directors, certain executive officers, and two independent directors of Syncora Guarantee Inc. (a subsidiary of the Company). The Plan was effective January 1, 2018. Under the Plan, the Company will offer, from time to time, to sell up to the lesser of 1,500,000 Shares and \$5,000,000 worth of its Shares (the “Total Shares”) to Directors and certain officers of the Company. Each director and officer could purchase up to 250,000 Shares, with a pro rata reduction in the number of allotted Shares based on the number of Shares proposed to be purchased should the Total Shares be oversubscribed. The purchase price will be the average closing price as quoted on the OTC Markets Pink Sheets for the five (5) business days immediately preceding the date of the sale. The sale of Shares is to take place only when the Company’s “trading window” is then open and the Company does not otherwise have any material non-public information. In connection with the establishment of the Plan, the Company filed a Notice of Exempt Offering on Form D with the Securities and Exchange Commission in January 2018.

Executive Officer Compensation and Stock Ownership

As part of its continuing commitment to enhance disclosure, the Company is including information related to compensation and stock ownership of the Chief Executive Officer and the Chief Financial Officer, along with aggregate information for the Company’s other current and former executives (the General Counsel, the Chief Surveillance Officer and the former Chief Remediation Officer who left the Company in May 2018). This disclosure excludes the former chief executive officer, Susan Comparato, who was an officer of the Company only through May of 2017.

Compensation Governance: The Board has created a compensation committee (the “Committee”) to assist the Board in discharging its responsibilities relating to the compensation of the Company’s executives and which reviews and approves executive compensation on an annual basis. The Committee has overall responsibility for establishing the general compensation philosophy of the

Company and for approving and evaluating compensation and benefit plans, policies and programs of the Company. As in past years, in 2016, the Committee engaged an independent executive compensation consulting firm to provide an independent review of the Company's compensation practices in light of best practices, reviewing our comparison group of companies and collecting and providing relevant market data.

Compensation Philosophy. The current compensation program for executives aims to:

- Ensure retention of key personnel;
- Motivate newly promoted executives;
- Recognize lack of job security;
- Reward success requiring intense effort over limited time periods in difficult environments; and
- Recognize risk with respect to long-term compensation by offering meaningful upside opportunity for success.

Compensation Components. The current compensation program is comprised of three elements:

1. Base salary
2. Annual target incentive:
 - a. Payout range of 0% to 150% of target for the chief executive officer and ranges of 0% to 125% of target for other executive officers.
 - b. Goal: to be an incentive and reward for contributions to the risk management or de-risking of the insured portfolio, profitability and success of the Company from year to year.
3. Long-term incentive (LTI)
 - a. Cash retention awards that vest, typically, over two or three years.
 - b. Goal: to attract, retain, and motivate executives, to provide for competitive compensation opportunities, to encourage long term service, to recognize individual contributions and reward achievement of performance goals, and to promote the creation of long term value for shareholders by aligning the interests of executives with those of shareholders.
4. Special bonus (included under "Other Compensation")
 - a. A one-time cash bonus to recognize extraordinary effort or outstanding results in accomplishing certain strategic initiatives; such bonuses may be payable as deferred compensation.
5. Stock options
 - a. The Chief Executive Officer and the Chief Financial Officer received stock option awards as described below under "*—Stock Options*".

The table below provides compensation information for Fiscal Year 2017 for Frederick Hnat, the Chief Executive Officer, and David Grande, the Chief Financial Officer.

	Frederick Hnat— Chief Executive Officer	David Grande— Chief Financial Officer
Base Salary	\$ 400,000	\$300,000
Actual Annual Bonus	\$ 600,000	\$375,000
Long Term Incentives	\$ 200,000	\$150,000
Equity Compensation (annual value)	\$ 97,115	\$ 48,557
Other Compensation	\$ 815,000	NA
Total	<u>\$2,112,115</u>	<u>\$873,557</u>

The numbers above set forth actual annual incentive for each of the named executives. The actual annual bonus exceeded the targeted annual bonus by approximately 140%. Management completed and/or initiated several high-level transactions that have had significant, positive results for the Company's strategic initiatives, including efforts related to asset recovery, risk management and remediation and strategy. The long-term incentives in the table above are the amounts that vested and were paid in 2017 as part of a multi-year plan.

In addition to the information set forth above with respect to the Chief Executive Officer and Chief Financial Officer, the Company paid compensation in an aggregate amount of \$4,177,500 to James W. Lundy, Jr., the General Counsel, Mary Jane Constant, the former Chief Remediation Officer, and Drew D. Hoffman, the Chief Surveillance Officer. That aggregate compensation amount consists of \$945,000 in base salary, \$1,135,000 in actual annual bonus, \$472,500 in long-term incentive and \$1,625,000 in other compensation (including special bonuses).

Stock Ownership: As set forth above, the compensation payable to executives has been almost exclusively cash due to the status of the Company's primary subsidiaries as runoff insurance companies. In addition, certain of the named executives have only recently been promoted to their current positions and, since the time of promotion, the opportunity for purchasing Company stock has been limited due to a closed trading window as a result of the availability of material non-public information at the Company. As a result, the level of stock ownership by the current executives may be lower than comparably-sized companies. The current stock ownership of the named executives currently employed by the Company is set forth in the table below.

<u>Name</u>	<u>Total as of 5/31/2018</u>
Hnat, Frederick	15,000
Grande, David	25,000
Lundy, James	4,287
Hoffman, Drew	9,826

Stock Options. As a means of aligning executive interests with the interests of shareholders, each of Frederick Hnat and David Grande has been granted options (the "Options") for the purchase of Company stock as set forth in the table below.

<u>Executive</u>	<u>Grant Date</u>	<u>Number of Options</u>	<u>Vesting Date</u>	<u>Strike Price</u>
Frederick Hnat	1/3/17	250,000	12/31/19	\$2.00
Frederick Hnat	2/16/18	200,000	12/31/20	\$3.57
David Grande	1/3/17	125,000	12/31/19	\$2.00
David Grande	2/16/18	100,000	12/31/20	\$3.57

As of the date of this Proxy, none of the Options has vested.
